

COPE Health Solutions taps Cindy Ehnes to lead new service line: 3 things to know

Written by Kelly Gooch | June 12, 2015

COPE Health Solutions, a Los Angeles-based healthcare consulting firm, has [chosen](#) Cindy Ehnes, former director of California Department of Managed Health Care, to lead its new care coordination service line.

Here are three things to know about Ms. Ehnes.

1. Ms. Ehnes joined COPE Health Solutions in 2013 as a business and legal consultant.
2. Most recently, Ms. Ehnes assumed responsibility for the company's healthcare talent innovations business line.
3. In her role, Ms. Ehnes is responsible for overseeing the company's talent pipeline of more than 4,000 healthcare specialists and leading its new care coordination service line, in addition to continuing her role in consulting.
